

Admissions Arrangements for 2023/24 Academic Year

These admission arrangements apply to all applications for admissions to Preston Primary School for reception entry in September 2023 and any in year applications from 1st September 2023.

Introduction

The Admissions Authority for Preston Primary School is the Governing Body.

An Admissions Committee comprising of Governors is responsible for taking all admission decisions for children starting in reception and for joining the school during the academic year.

Somerset Local Authority is responsible for co-ordinating all applications for children starting school. These admissions arrangements should be read in conjunction with Somerset's published co-ordinated Admissions Scheme for September 2023.

The Published Admission Number

The Governing Body has set an Admission Number of 60 for the year of entry.

Applying for a school place

In order to be considered for a place at Preston Primary School, an application form must be completed. Starting school applications can be made on-line at www.somerset.gov.uk/admissions or paper forms can be obtained from Somerset Local Authority. In-year application forms are available from the School. School place application forms must be received by the following closing dates and times:

Applications for reception year in 2023

The closing date for reception year applications in September 2023 is 15 January 2023. Outcomes will be sent by the Local Authority on behalf of the Governing Body by e-mail or second class post on the published outcome date, 17 April 2023.

Any Supplementary Information Forms must be submitted alongside the application form. Any applications received after the closing date will be recorded as late and cannot then be administered until all on time applications have been considered by which time places may no longer be available within the Published Admission Number.

Places will be allocated strictly in accordance with the National Equal Preference with ranking allocation method.

In Year Applications

Applications for a place during the academic year must be made directly to the school office, by completing the in-year application form. Applications will not be processed more than six weeks or half a term in advance of being required. Proof of address is required to be submitted with the application. This will be either the formal 'exchange of contracts' letter from the solicitor for a house buy, a recent utility bill or the signing of a minimum of a six month tenancy agreement. The Governing Body reserve the right to seek further documentary evidence to support a claim of residence.

The Governors' Admissions Committee will consider applications on a weekly basis with a 4pm deadline every Friday. Where possible, applicants will receive a written response within 10 school days following receipt of the application. Where a school place is offered it will be held open for 10 school days and applicants will need to confirm acceptance within this time.

Oversubscription Criteria

Where there are more applications received than places available within the Published Admission Number or Admission Limit the following criteria will be applied to determine how the places will be allocated.

The school will be required to admit any child with a Statement of Special Educational Needs (SEN)/Education, Health and Care Plan (EHC) if it names the school, then;

1. Looked After Children – Children who are in the care of a Local Authority or have previously been and are now formally adopted or subject to a residence/child arrangement order or special guardianship order. Children who appear (to the admission authority) to have been in state care outside England and ceased to be in state care as a result of being adopted. (see important note 1)
2.
 - a) Children of permanent fully qualified teachers employed at the school for at least two years prior to the application closing date.
 - b) Children of permanent fully qualified teachers recruited to fill a vacant post for which there is a demonstrable skill shortage.
3. Children living in the catchment area, with an older sibling at the school at the time of admission, and who live at the same address.
4. Children living outside the catchment area, with an older sibling at the school at the time of admission, and who live at the same address.
5. Children living in the catchment area.
6. Children and or parents who are practising members of:-
 - a) St James Church, Preston Road, Yeovil, BA21 3RL.
 - b) Any Christian Church(See important notes)
7. Children not satisfying a higher criterion

Important Notes

Note 1:

A 'Looked After Child' means any child who is in the care of a local authority in accordance with Section 22 (1) of the Children Act 1989. A child who was 'a previously Looked After Child' means a

child who after being looked after became subject to an Adoption Order under section 46 of the Adoption and Children Act 2002, a Residence Order under Section 8 of the Children Act 1989 or Special Guardianship Order under Section 14A of the Children Act 1989; as well as those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. Relevant evidence will be required to be submitted.

“Practising” is defined as at least once a month for at least six months prior to the application closing date attendance at church by at least one parent and/or child. A Supplementary Information Form must be completed in order to be considered under this criterion.

In the event that during the period specified for attendance at worship St James’ Church, or any Christian Church, has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

Tie Breaker

In the event of oversubscription within any of the criteria listed above, preference will be given to applicants who live closest to the school, as measured in a straight line by a Geographical information System (GIS) method from the address point of the school site to the address point for the pupil's home. Where two distances are equal and it is therefore not possible to differentiate between them, priority will be determined by independent drawing of lots.

Multiple birth applications (for example twins)

In the case of multiple birth applications, where it would only normally be possible to admit one child within Admission Number, a place(s) will be allocated above Admission Number at the point of allocation. This will ensure that multiple birth siblings can be allocated places at the same school (sibling definition still applies).

Waiting Lists

Where an application has been refused in any year group, the child will be placed on a waiting list. This will be kept strictly in order of oversubscription criteria by the Governing Body, and the child will remain on the waiting list until the end of the term the refusal was made in (or 31 December 2023 for first admission applications). If a parent wishes for their child to remain on the waiting list they must request this in writing. It is the parent’s responsibility to make this request to the school. Where places become available within the Admission Number they will be allocated to the highest ranked eligible child on the maintained list.

Children who are the subject of a direction by a Local Authority to admit or who are allocated to the school in accordance with the In-Year Fair Access Protocols, will take precedence over those children on a waiting list.

Withdrawal of places

The Governing Body will consider withdrawing the offer of a place if;

- The place has been offered on the basis of an application which is subsequently found to be fraudulent or intentionally misleading.
- The parent/carer has not responded to the offer within 5 school days and a further opportunity has been given for the parent to respond within another 5 school days having explained that the offer may be withdrawn if they do not.

Issues relating to shared residency arrangements

Legislation and guidance states that only one offer per child is made by the Local

Authority. Therefore where separated parents issue separate applications for their child the Local Authority can only offer one place. In this situation the Local Authority requires parents to resolve matters between themselves. If an agreement cannot be reached parents may wish to seek legal advice. The Governing Body will not become involved in private disputes. The Local Authority does recognise that there may be situations where parents cannot ultimately reach an agreement between themselves and it is, therefore, necessary for the Local Authority to take a decision. Where this is the case the Local Authority will try to establish where the child spends the majority of their time and prioritise the application made by the parent living at this address.

Each parent will be required to write to the Local Authority and inform them of the number of days each week the child spends with them. Where the child spends equal time with both parents the Local Authority may ask for additional information including evidence of which parent/carer is in receipt of child benefit, and/or the name of the GP surgery at which the child is registered. When the Local Authority has received all the necessary information from both parents a decision will be reached by the Governing Body based on the evidence provided.

Admission of children below compulsory school age

Parents are entitled to a part-time or full-time place at school for their child in the September following their fourth birthday. Where the parents wish, children may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age. A child becomes of compulsory school age when they reach the age of five and, where a parent has elected to register their child at school, they must start school on a full time basis in the term following their fifth birthday.

Deferred Entry

The Department for Education (DfE) requires all Admission Authorities to offer parents the opportunity to defer their child's entry to school. This means rather than the usual September entry, you can choose for your child to start later in the year, usually in January at the beginning of the Spring Term. You can defer until later in the year if you wish but not beyond the beginning of the final term of the school year for which the application was made.

Summer Born Children

Parents of summer born children may request that they are admitted into reception rather than year one when they become of compulsory school age. Applications will be considered as set out below (see Retained or Accelerated Entry).

Retained or Accelerated Entry

The Governing Body will consider applications for retained or accelerated entry in cases where parents would like their child to be admitted to a year group either side of their child's chronological year group. The reasons for the request must be in writing with any supporting evidence and included with the school place application form. The Governing Body will make decisions on the basis of the circumstances of each case and in the best interests of the child concerned. The Governing Body will set out clearly the reasons for their decision.

Children from outside the UK

The Local Authority will process applications for children living in the European Economic Area (EEA) or UK citizens living abroad. If proof of the Somerset address and a date of arrival is provided by the closing date the application can be considered on this address. If proof of the Somerset address is not available by the closing date the application will be considered on the current address.

The Local Authority will not allocate a place to anyone moving into Somerset from a country outside the EEA prior to their arrival in the country. The Local Authority will require copies of the passports, appropriately endorsed visas and proof of residency – see home address definition. The only exceptions are children of UK Service personnel and other Crown servants (including Diplomats) returning to the area.

Appeals

Applicants whose school place application is turned down have the legal right to appeal against the decision to refuse admission. Details concerning how to appeal are explained in the decision letters sent out when a place is refused.

Children of UK Service Personnel

The Admissions Authority endeavor to ensure that their admission arrangements support the Government's commitment to removing disadvantage for service children. In year applications are usually considered for admission up to a maximum of half a term in advance of the place being taken up. An exception is made for children of UK service personnel with a confirmed posting to the area and other Crown servants returning from overseas to live in the area where a place can be made available up to a year in advance of being required providing the appropriate documentation is provided as proof of posting (an official government letter (e.g. MOD, FCO or GCHQ) declaring a relocation date and intended posting.)

Usually, an in year place may be allocated prior to actual residency, only on receipt of exchange of contracts or a formal signed rental agreement. An exception is made for children of UK service personnel with a confirmed posting to the area and other Crown servants returning from overseas to live in the area. This means that, providing the application is accompanied by an official government letter (e.g. MOD, FCO or GCHQ) declaring a relocation date and intended posting, the admissions authority will process the application on that address. If proof of a home address is not available at this stage the admissions authority will accept a unit postal address or quartering area address. An offer of service family accommodation from the housing department is not sufficient to be accepted as proof of address, the signed tenancy agreement would be required.

If the parent/carer is moving to the area as a result of leaving the armed forces then no special consideration will be given to the application under the grounds of the application being made by a service family.

Definitions:

Home Address

The home address is very important, as school places are allocated on the basis of the home address of each child. A child's home address is considered to be where the child spends the majority of their time with parents or carers.

Documentary evidence of home ownership or suitable rental agreement may be required, together with proof of permanent residence at the property concerned. Places cannot be allocated on the

basis of an intended future address, unless the house move can be confirmed through the formal 'exchange of contracts' or the signing of a minimum of a six month tenancy agreement. An address change due to a move to live with family or friends will not be considered until the move has taken place and suitable proof of residency has been obtained. Proof that a move from the previous address has taken place may also be required e.g. proof of the house sale, a tenancy agreement showing the end date of the tenancy or a notice to quit from the landlord. The Governing Body reserve the right to seek further documentary evidence to support a claim of residence.

An address used for childcare arrangements cannot be used as a home address for the purpose of applying for a school place. Fraudulent claims relating to the home address of a particular child may lead to the withdrawal of any offer of a school place.

The Admissions Authority must be notified of any change of address during the admissions procedure.

Sibling

For the purpose of admissions, a sibling is defined as a child living at the same address permanent home address as a half or full brother or sister or an adoptive brother or sister. Also, children of the same household where the permanent home address is the same for both children.

Parent/Carer

Natural parents, whether they are married or not, any person who, although not a natural parent, has parental responsibility for a child or young person. Any person who, although not a natural parent, has care of a child or young person (having care of a child or young person means that a person with whom the child lives and who looks after the child, irrespective of what their relationship is with the child is considered to be a parent in education law).

Parental Responsibility

A mother automatically has parental responsibility for her child from birth.

If the parents of a child are married when the child is born, or if they've jointly adopted a child, both have parental responsibility.

An unmarried father can only get legal responsibility for his child in 1 of 3 ways:

- jointly registering the birth of the child with the mother (from 1 December 2003)
- getting a parental responsibility agreement with the mother
- getting a parental responsibility order from a court

Distance Measurements

For the purpose of measuring home to school distance, all calculations will be measured using a straight-line measurement from the address point of the home to the address point of the school using the GIS mapping system. (Address Point is a dataset that uniquely defines and locates residential, business and public postal addresses in Great Britain. It is created by matching information from Ordnance Survey digital map databases with more than 27 million addresses recorded in the Royal Mail). In the case of multi-level dwellings such as flats, the staircase will be included in the distance measurement.

Objections to Admission Arrangements

Objections to the 2023/2024 admission arrangements policies can be made to the schools adjudicator. This must take place in the period between the admission authority determining their admission arrangements for 2023/2024 which must take place by 28 February 2022 and the deadline for making objections which is 15 May 2022. Objections may still be considered after this date but this is at the discretion of the adjudicator.

For further information on how to make an objection please visit the Office of the Schools Adjudicator website <http://www.education.gov.uk/schoolsadjudicator/> or phone the office on 01325 735303.

Supplementary Information Form (SIF)

This form must be completed and submitted to Somerset Local Authority if you would like your application for a Voluntary Controlled school to be considered under criterion 6 of the over subscription criteria relating to regular church attendance which is:

“Practising” is defined as at least once a month for at least six months prior to the application closing date attendance at church by at least one parent and/or child.

Please ensure that the attached form is completed by you and signed by the relevant church representative (vicar, priest, minister, pastor, church warden) and submitted to Somerset Local Authority. It must be received by Somerset Local Authority by midnight on 4 February 2022 for primary admissions. For in year admissions it must be submitted directly to the school alongside an in year application form.

Failure to send the correctly completed supplementary information form to Somerset Local Authority by the closing date will mean that your application cannot be considered under the church attendance criterion.

Please return form to:

Notes for Clergy

Notes for clergy or those responsible and authorised to sign supplementary information forms for those applying to church schools under a church attendance criterion.

The recommendation of the Bath & Wells DBE is that it is best practice to have a sub-committee of at least three members, including clergy, church wardens and those with responsibility for Sunday school to consider these requests and be authorised to sign the form if it is agreed appropriate.

Please also note that if this form is not received by Somerset Authority prior to the published deadline the child cannot be considered eligible under any church attendance criteria.

In order for the application to be considered under any church attendance criteria within the school's admissions arrangements, the following must be ensured:

1. The DBE does recommend that the child or a parent has attended actual worship and that attendance at toddler groups or other activities that are held at the church does NOT meet the requirements.
2. The completed form must be received by Somerset Local Authority by midnight on 3rd February 2023 for primary admissions. For in year admissions the parent/carer must submit it directly to the school alongside an in year application form.
3. For applicants who have recently, or are about to move to a different area, the supplementary information form should be completed by the clergy at the church where they have been regularly worshipping. It is the responsibility of the applicant to organise this and ensure that the SIF is completed and sent in on time.

Please Note:

The application process is a legal one and every effort **MUST** be made to ensure that applications and any supplementary forms are completed accurately and on time. If applicants are unsuccessful, they have the right to appeal. **Clergy should not be pressured into signing a form if they know that the applicant does not, or are in doubt as to whether the applicant does, meet the criteria laid down by the school. This is one reason why a committee should consider every application. It is also particularly helpful where there is an inter-regnum or where clergy have been in post less than 6 months.**

Please complete your child's details then give this form to your clergy leader (priest/minister/pastor), who will complete the remaining part of the form.
